Los Angeles, CA 90012**

REGULATORY AGREEMENT
REVISED MARCH 5, 2004

Parcel No. _____

(INCLUDING: RESTRICTIONS ON SALE AND ENCUMBERANCES; RIGHT OF STATE TO REPURCHASE PROPERTY AT CONTROLLED PRICE: AND LIEN FOR PAYMENT OF CERTAIN AMOUNTS)

FOR GOOD AND VALUABLE CONSIDERATION, THIS AGREEMENT, dated _____, is made and entered into by and between the State of California Department of Transportation ("State") and (Housing Entity) ("Buyer"),

WHEREAS:

- A. The California Legislature has declared in Government Code Section 54235 that the displacement of large numbers of persons as a result of the sale of surplus residential property owned by agencies of the state is a significant environmental effect, and has provided in Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.) a procedure for the mitigation of such effect;
- B. Pursuant to Government Code Section 54237, the State invited proposals to purchase surplus residential property under a Request for Proposals dated _____. The Buyer submitted a proposal under that Request for Proposals which the State approved;
- C. Buyer is purchasing from the State said surplus residential property as fully described in Exhibit A attached hereto and hereinafter referred to as "the Property".
- D. The market value of the Property as of the date of the sale to Buyer was \$_____ and the Buyer was permitted to purchase the Property for the price of \$_____ which has been agreed by the State and the Buyer to be a reasonable price for the purposes set forth in Government Code Section 54237

(d) and which is less than fair market value pursuant to the provisions of Government Code Section 54237 (d).

- E. This agreement is being entered into in order that the State may impose, and the Buyer will comply with, such terms, conditions and restrictions as will assure that the Property will remain available to persons and families of low or moderate income as specified in Government Code Section 54237 (d) **except where the occupant is an inherited tenant as defined in Article 3 herein. Such inherited tenants may have incomes higher than that of low to moderate income households and will be afforded the first right of occupancy.**

NOW IT IS AGREED AND DECLARED AS FOLLOWS:

ARTICLE 1: COMPLETION OF REHABILITATION WORK

1.1 Commencement and Completion

Buyer shall commence rehabilitation of the residential unit on the Property after the date of recordation hereof and shall complete the rehabilitation of the Property on or before **18 months** from the date hereof.

1.2 Applicable Laws and Standards

All rehabilitation work shall be completed in accordance with all applicable valid laws, regulations and ordinances of all agencies having jurisdiction over the Property.

1.3 Monitoring by State

(a) At least 30 days before entering into any contracts for the performance of rehabilitation work hereunder, the Buyer shall submit to the State for its review and written approval copies of all plans, specifications, estimates, work write-ups, work schedules and other documents describing the work to be done, copies of all contracts for design, rehabilitation or construction work proposed to be entered into by the Buyer with respect to the Property, copies of any and all permits and approvals obtained from any agency having jurisdiction over the Property, and evidence of a completion bond or other financial commitments necessary to complete the rehabilitation work on the Property.

Within 30 days of receipt of such documents, the State shall review the documents and shall provide its written approval, rejection, or a request for additional information and/or changes. The Buyer agrees to comply with all reasonable requests for information and changes requested by the State.

(b) During the period of construction, the Buyer shall submit to the State all proposed changes to the work and all proposed changes to contracts for rehabilitation work in a timely manner to permit the State to review and approve, approve with conditions or reject the proposed changes. The State shall respond to such proposed changes in writing within 15 working days of receipt thereof. The Buyer agrees to comply with all reasonable requests for changes requested by the State.

(c) On completion of the work, or if the work is to be performed in phases on completion of any phase thereof, the Buyer shall notify the State and permit the State to conduct an inspection of the completed work. The State will complete its inspection within 10 working days of receipt of such notification, and may require the Buyer to make such changes or perform such other work as is reasonably necessary for the purposes of this Agreement. The Buyer agrees to make the changes and/or perform the work promptly thereafter.

(d) The State's review of the Buyer's documents, any inspections conducted by the State and any changes or other work required by the State are intended only to allow the State to assure itself that the Buyer is in compliance with this Agreement, and are not intended to benefit the Buyer or any other person.

(e) The State's approval of any of the Buyer's documents or the work shall not be unreasonably withheld nor shall the State impose unreasonable or unreasonably costly conditions or changes. In this context, what is reasonable or unreasonable shall be determined by reference to the intent and goals of Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.). If the State fails to respond to any submittal of documents or information by the Buyer or to conduct any inspection within the time specified herein, the State will be deemed to have approved such documents, information or completed work as the case may be.

ARTICLE 2: USE OF THE PROPERTY

2.1 Permitted Uses

The Property shall be used only as residential property to be rented to persons and families of low or moderate income at affordable rents as such terms are defined in Government Code Section 54236 **except where the occupant is an inherited tenant as defined in Article 3 herein. Such inherited tenants may have incomes higher than that of low to moderate income households and will be afforded the first right of occupancy at affordable rents as defined in Government Code Section 54236.**

The Buyer may request the State to approve the sale of one or more residential units on the Property at an affordable sales price to a person or family of low or moderate income for use as the principal residence of such person or family. The State's approval of such a sale shall not be unreasonably withheld, but the State may impose reasonable conditions upon such sale, including requirements for the purchaser to enter into a separate agreement with the State, to ensure that the residential unit remains affordable to and occupied by a person or family of low or moderate income for the remainder of the term of this Regulatory Agreement. In granting or withholding approval for such a sale the State may, without limitation, take into account the effect of the sale on the economic viability of the remainder of the Property and the ability of the Buyer to continue to operate the Property in compliance with this Agreement.

2.2 Prohibited Uses

The Property shall not be used for any purposes or in any manner prohibited by any valid law, ordinance or regulation of any agency having jurisdiction over the Property.

2.3 Compliance with Article 8.5 of Division 2 Title 5 of the Government Code (Sections 54235 et seq.)

The Buyer shall comply with all provisions of Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.) in effect as of _____, with regard to its ownership, operation and management of the Property. In any inconsistency between this Agreement and the said Government Code provisions, the Government Code provisions shall prevail.

2.4 Maintenance and Repair

The Buyer shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property. The Buyer shall not without the prior written approval of the State remove, add to or demolish any part of the Property.

2.5 Prohibition on Assignment and Encumbrance of Property

The Buyer shall not without the prior written consent of the State sell, encumber, assign or convey the Property or any part thereof, or incur any liability or obligation secured in whole or part by the Property, whether contingent or otherwise. The State's consent shall not be unreasonably withheld, but may be conditioned on such terms as the State considers necessary to meet the requirements of this Agreement and Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.) including but not limited to those set forth in clause 2.1 hereof.

ARTICLE 3: FINANCIAL MANAGEMENT

3.1 Rental of Units

(a) Buyer will inherit existing occupants in the Property at the time of the sale of said Property. These existing occupants are defined as "Inherited Tenants". Buyer will also rent to new tenants that take occupancy after the sale of the Property to Buyer. These tenants are defined as "New Tenants". "Inherited Tenants" have the right of occupancy and shall not be displaced as a result of their household incomes being greater than the income of low to moderate income households in Los Angeles County.

(b) Before renting any residential unit in the Property to, the Buyer shall determine the income, family size and proposed rent for the proposed tenant. Income and family size information shall be certified by the tenant to be true and correct, and independently verified by the Buyer. The tenant's income as certified by the tenant and verified by the Buyer shall be deemed to be the tenant's income for the purposes of determining affordable rent as defined herein, absent fraudulent misrepresentation or concealment of income by the tenant. The Buyer shall calculate the tenant's affordable rent as defined in Government Code Section 54236.

(c) The Buyer may adjust the rent of each unit no more frequently than annually, by obtaining from the tenant current information as to the tenant's income and family size. Income and family size information shall be certified by the tenant to be true and correct and independently verified by the Buyer. The Buyer may but is not required to increase or decrease the rent in accordance with the tenant's current income and family size, but may not increase the rent in excess of the affordable rent as defined. The Buyer shall give the tenant proper notice of any change in rent.

(d) If the income of a New Tenant has increased so that the tenant is no longer a low or moderate income household, as defined, the Buyer shall terminate the tenant's lease by giving tenant 120 days written notice thereof. Buyer shall disclose this in writing in the Rental Agreement or Lease Agreement to New Tenants.

(e) If a residential unit is to be occupied by one or more unrelated individuals, no such individual shall be required to pay more than the affordable rent as defined. In addition, the total rent for the unit shall not exceed the Fair Market Rent for such unit as established from time to time by the United States Department of Housing and Urban Development (or any successor agency). If the total of the individual rents would exceed the Fair Market Rent, each individual rent shall be reduced in proportion.

(f) If the Buyer charges any tenant an amount greater than the affordable rent as defined, or an amount exceeding the proportionate rent as set forth in the preceding paragraph (c), either the State or the tenant may recover the amount of the overcharge in any court of competent jurisdiction. For the purposes of this paragraph 3.1, the rent is deemed affordable if the rent was an affordable rent as defined on the date on which the tenant moved into the unit. A subsequent loss of income by the tenant does not result in the

rent ceasing to be an affordable rent as defined and the Buyer is not required to ensure that the rent remains affordable as defined for the entire term of the lease.

(g) The Buyer shall not terminate the lease of any tenant without good cause, which may include but is not limited to: failure to pay rent or security deposits; material violation of the lease; violation of any valid applicable law regarding health and safety; refusal to allow reasonable access to the unit for repairs, improvements or inspections; creating or permitting a nuisance; unreasonably interfering with the comfort, safety or enjoyment of any other residents of the Property or of other persons residing in the vicinity of the Property; repeated failure to comply with reasonable rules established by the Buyer for tenants of the Property; and failure to provide complete and accurate information as to tenant family size or income for the purposes of determination of affordable rents as defined. A tenant may assert the Buyer's failure to comply with this provision in any action by the Buyer to evict the tenant.

(h) The Buyer shall enter into a written lease with each tenant which shall not be inconsistent with the terms of this Agreement.

3.2 Operating and Replacement Reserve Account

(a) The Buyer shall establish an Operating and Replacement Reserve Account by depositing the sum of _____ into a cash deposit account or invested in obligations of, or fully guaranteed as to principal by, the United States of America, or invested in any fund or instrument insured by the Federal Deposit Insurance Corporation or similar agency. In addition, the Buyer will deposit into such an account on a monthly basis an amount equal to 2% of rents collected for that month until the account contains an amount equal to 20% of the replacement cost of the IMPROVEMENTS. Thereafter deposits need only be made as and when the balance of the account falls below such amount.

(b) Funds deposited in the account may be used only for major repairs to the Property or replacements of major building systems in the Property. Funds deposited in the account may be used for routine repairs, operations or maintenance only with the State's prior written consent, which shall not be unreasonably withheld, and only if the Buyer establishes to the satisfaction of the State that the Buyer has established a plan of adequate fiscal controls to prevent the future need of the account for these purposes.

3.3 Reports

(a) The Buyer shall provide the State with a report no later than January 31st of each year for the twelve month period to the preceding December 31st.

(b) The report shall set forth an itemized statement of the rents and other revenues and the expenses of the Property, and shall contain a schedule listing the names, family sizes, incomes and rents paid by each tenant of each unit. The report shall identify any expenditures made from the Operating and Replacement Reserve Account separately from general expenses. The report shall contain a report on the physical condition of the Property with a description of any needed repairs or replacements and any deferred maintenance.

(c) In addition to the annual report, the Buyer shall promptly furnish such other reports, including budgets, financial statements, projections and analysis as may be reasonably requested by the State.

3.4 Insurance

The Buyer shall maintain fire insurance for the full replacement value of all structures on the Property, with the State listed as an additional insured. The Buyer shall provide a certificate of currency on request

by the State and the policy shall provide that the State will receive 30 days notice of any termination or expiration of the policy.

3.5 Retention of Records, Audits and Inspections

The Buyer shall retain all financial and rental records (including tenant income certifications and verifications) of the Property for a period of at least 5 years. The State shall have the right, through its employees or agents, on reasonable notice and at its own expense to review, audit, and make copies of the Property records and to inspect the Property.

ARTICLE 4: TERM

4.1 Term

This Agreement shall be effective on and from date of recordation, and shall expire 30 years thereafter.

4.2 Binding on Successors

This Agreement is binding on, and the benefits hereof shall accrue to, the respective parties hereto, their legal representatives, executors, administrators, successors and assigns.

4.3 Covenants Running with the Land

This Agreement is intended to be and shall be a covenant running with the land and binding on any successor to Buyer, whether by assignment, conveyance, operation of law or otherwise.

ARTICLE 5: DEFAULT AND ENFORCEMENT

5.1 Notice and Opportunity to Cure

If the Buyer fails to comply with any provision of this Agreement or Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.), the State shall give written notice thereof to the Buyer, specifying the nature of the failure to comply, and requiring the Buyer to correct the failure within such time as the State in its sole discretion shall permit. If the Buyer does not correct the failure to the satisfaction of the State within the time specified by the State, the State may declare in writing a default under this Agreement effective on the date of such declaration of default.

5.2 Grounds of Default

The grounds upon which the State may declare the Buyer to be in default hereunder include but are not limited to:

- (a) Failure by the Buyer to comply with any provision of this Agreement, within the time (where applicable) provided by the Agreement or any notice given by the State pursuant to the Agreement, including a notice of failure to comply pursuant to paragraph 5.1 hereof;

- (b) The Buyer's becoming insolvent or bankrupt, or unable to pay its debts or to comply with the financial obligations of this Agreement;
- (c) The commencement of proceedings for the appointment of a receiver, trustee or liquidator of the Property or of the Buyer's assets or a substantial part thereof; and
- (d) The commencement of proceedings against the Buyer under any law of any jurisdiction related to bankruptcy, reorganization, adjustment of debt, insolvency, dissolution, liquidation or similar matter.

5.3 Rights of State in Event of Default

Upon declaring a default under this Agreement, the State may at its option;

- (a) Collect all rents, profits, income and charges in connection with the operation of the Property, and use the same or the proceeds thereof, in such order as the State may determine, towards satisfaction of the Buyer's obligations under this Agreement and towards payment of the necessary expenses of preserving and operating the development;
- (b) Take possession of the Property, bring any action necessary to enforce the rights of the Buyer arising out of the operation of the Property, and operate the Property in accordance with the terms of this Agreement until the Buyer is again in a position to operate the Property in accordance with the terms of this Agreement;
- (c) Apply to any court, state or federal, for specific performance of this Agreement; for an injunction against any failure of the Buyer to comply with the terms of this Agreement; for the appointment of a receiver to take over and operate the Property in accordance with the terms of this Agreement; or for such other relief as may be appropriate with specific reference to the provisions of Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.; it being agreed by the Buyer that the injury to the State arising from a default under any of the terms of the Agreement would be irreparable and that it would be extremely difficult to ascertain the amount of compensation to the State which would afford adequate relief in light of the purposes and policies of Article 8.5 of Division 2 of Title 5 of the Government Code (Sections 54235 et seq.);
- (d) Make such disbursements with regard to deeds of trust, encumbrances, liens, taxes, assessments and other charges or security interests which are necessary to protect the State's interests; perform the Buyer's obligations pursuant to any law, agreement or covenant; or, if any action or proceeding is commenced which materially affects the State's interest in the Property, upon notice to the Buyer, make such appearance, disburse such sums (including reasonable attorneys' fees) and take such actions as are necessary to protect the State's interests.

In making such disbursements, the State shall allow the Buyer reasonable time to satisfy, challenge or cure any liens, encumbrances or other demands, provided that nothing in this Agreement shall require the Buyer to pay or make provision for the payment of any tax, assessment, lien or charge so long as the Buyer shall in good faith contest the validity or amount thereof and so long as such delay in payment shall not subject the Property or any part thereof to forfeiture or sale.

Any amounts disbursed by the State pursuant to this paragraph, and the State's costs of accounting for and disbursing such amounts, shall become an indebtedness of the Buyer to the State with interest thereon at the rate of 10% per annum from the date of disbursement by the State to the date of payment by the Buyer. This Agreement constitutes a lien on the Property securing that indebtedness and interest thereon.

(e) Nothing in this paragraph shall be construed so as to require the State to incur any expense or take any action whatsoever.

5.4 Pre-Emptive Right to Purchase

(a) The Buyer's interests in the Property, including its interests in the Operating and Replacement Reserve Account and in any security deposits held on account of residential rental units in the Property, are subject to the State's continuing 30-year right to purchase the Property and related accounts as set forth herein. This pre-emptive right shall constitute an irrevocable offer by the Buyer, effective as of the date hereof, to re-sell the Property to the State on the terms and conditions herein stated, contingent only on the issue of a Notice of Intent as provided herein.

(b) Any notice of default or complaint recorded or filed to enforce or foreclose any lien, deed of trust or mortgage encumbering the Property shall constitute a "Notice of Intent" which shall become effective within 90 days of the date of recordation or filing of such notice of default or complaint.

(c) If the Buyer violates any material provision hereof, and if such violation is curable has not cured such violation within the period provided for cure, the State may at its election deem that the Buyer has delivered a "Notice of Intent" effective on the date that the State gives the Buyer written notice thereof.

(d) The State may exercise its pre-emptive right by notice thereof to the Buyer within 90 days of the effective date of Notice of Intent.

(e) Failure to exercise the pre-emptive right under the circumstances set forth in this clause shall not result in the expiration of the pre-emptive right, nor shall it release the Buyer from any of its obligations under this agreement, nor shall it bar the State from taking any other legal or equitable action to enforce the terms of this agreement.

(f) If the pre-emptive right is exercised, the purchase price to be paid by the State shall be the sum of:

(i) The original purchase price of \$_____ Paid by the Buyer for the Property; and

(ii) The actual costs of rehabilitation costs actually incurred by the Buyer, plus the actual costs of any other capital improvements to the Property incurred by the Buyer with the prior written approval of the State.

(g) The State shall be entitled to deduct from the purchase price the following amounts for the following purposes and in the following priority:

(i) The unpaid balance of any obligation secured by a deed of trust, mortgage, lien or encumbrance on the Property senior to the interests of the State under this agreement (and if more than one in order of their legal priority), including any costs, penalties or charges incurred as a result of any default by Buyer or of the State's exercise of its pre-emptive right, such balance to be paid to the beneficiary, mortgagee, lienholder or person entitled thereto in return for the release or reconveyance of their security interest in the Property;

(ii) All escrow, title and closing costs;

(iii) The unpaid balance of any amount owed by the Buyer to the State and secured by the Property pursuant to this agreement;

- (iv) An amount necessary to defray the costs of any needed repairs, rehabilitation or replacement of the Property or any improvements thereon, beyond the requirements of normal maintenance;
- (v) Any sums required to be in the Operating and Replacement Reserve Account and any sums held on account of tenants' security deposits which are not transferred to the State on exercise of the pre-emptive right to purchase;
- (vi) An administrative fee of 3% of the purchase price to cover the non-legal costs of the State in exercising the pre-emptive right to purchase, plus the reasonable legal costs and expenses (including legal costs of the State's in-house counsel billed at the then applicable hourly rate charged by the California Department of Justice) of enforcing the Regulatory Agreement and the pre-emptive right to purchase; and
- (vii) The unpaid balance of any obligation secured by a deed of trust, mortgage, lien or encumbrance on the Property junior to the interests of the State under this agreement (and if more than one in order of their legal priority), including any costs, penalties or charges incurred as a result of any default by Buyer or of the State's exercise of its pre-emptive right, such balance to be paid to the beneficiary, mortgagee, lienholder or person entitled thereto in return for the release or reconveyance of their security interest in the Property.

5.5 Remedies to be Cumulative

The remedies of the State hereunder are cumulative. The exercise of one or more such remedies shall not be deemed an election of remedies and shall not preclude the exercise by the State of any one or more of its other remedies.

ARTICLE 6: MISCELLANEOUS PROVISIONS

6.1 Indemnity

The Buyer agrees to indemnify and hold harmless the State, its officers, employees, agents and contractors, from all claims, liabilities, charges, costs or losses (including reasonable attorneys' fees) arising from the ownership, operation, maintenance and management of the Property. The Buyer also agrees to indemnify and hold harmless the State, its officers, employees, agents and contractors, against all claims, liabilities, charges, costs or losses (including reasonable attorneys' fees) arising out of the rehabilitation of the Property including but not limited to the State's review of the rehabilitation documents, inspections of rehabilitation work and any State-requested changes or other work required by the State. The duty to indemnify and hold harmless shall include the duties to defend as set forth in Section 2778 of the California Civil Code and shall apply regardless of the existence or degree of fault on the part of the State, the Buyer, or officers, employees, agents or contractors of each.

6.2 Non-Discrimination

In its operation of the Property, including but not limited to selection of tenants, the Buyer shall comply with the non-discrimination provisions set forth in Exhibit B hereto.

6.3 Enforcement Costs; Legal Fees and Costs

The State shall be entitled to its reasonable costs of enforcement of the provisions of this Agreement, including reasonable legal fees and litigation expenses, and the costs of employment of in-house counsel as applicable. The State shall notify the Buyer of the amount of such costs, which shall become an

indebtedness of the Buyer to the State with interest thereon at the rate of 10% per annum from the date of the notice to the date of payment by the Buyer. This Agreement constitutes a lien on the Property securing that amount and interest thereon.

6.4 Partial Invalidity

If any provision of this Agreement shall be invalid, illegal or unenforceable, such provision will be treated as severable and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

6.5 Recording

This Agreement shall be acknowledged by each of the parties hereto and recorded in the official records of Los Angeles County.

6.6 Waiver

No waiver by the State of any breach of or default under this Agreement shall be effective unless it is in writing and signed by an authorized representative of the State. Nor shall any such waiver be deemed or interpreted to be a waiver of any other breach or default hereunder.

6.7 Amendments

No alteration, variation or amendment of this Agreement shall be valid unless made in writing, signed by the parties hereto, and properly recorded; and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto.

6.8 Entirety of Agreement

This Agreement and all attachments, exhibits and references incorporated herein constitute the entire Agreement between the parties with respect to the ownership, rehabilitation and operation of the Property, and any previous agreements or understandings between the parties hereto concerning the Property are hereby terminated.

6.9 Captions

The captions used in this Agreement are included only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of the Agreement.

6.10 Governing Law

This Agreement shall be construed in accordance with and governed by the laws of the State of California.

6.11 Compensation

The Buyer shall not be entitled to any compensation or reimbursement by the State for performing the obligations set forth herein.

6.12 Notices and Parties' Representatives

Notices under this Agreement may be sent by first class pre-paid postage, facsimile transmission or by personal delivery.

Notices shall be sent to the parties' authorized representatives as follows:
